

What Is Faith Encouragement Ministries?

Faith Encouragement Ministries programs are renewal programs for a church. The Renewal Weekend is held at the church or a central location with programs for everyone – adults, teens, and children – to encourage God’s people in their faith journey as they reflect on their own relationship with God. There are two major programs under the Faith Encouragement Ministries: *Faith Alive* and *Faith Journey*.

Faith Encouragement Ministries is kept alive by the donations from churches and supporters whose lives have been impacted by a previous program. It is through those faithful churches, foundations, individuals, and families that we are able to provide the renewal programs for other churches.

Faith Journey

The Faith Journey program is built on the foundation of the classic Faith Alive weekend. Each Faith Journey program is designed to meet the needs of the church or churches who are hosting the Faith Journey. Churches that are interested in a Faith Alive weekend but don’t meet the ‘typical’ profile for a Faith Alive weekend – missions, small churches, churches in transition with a priest in charge, for example – can now host a rich renewal program for their people.

The following are different types of possibilities for a Faith Journey Program.

Faith Journey for a Small Church or Mission

A smaller church or mission may not have the resources in terms of people at the church or money to host a full-scale program. This Faith Journey program is scaled down in terms of the number of visiting team members, the number of the people from the church required to plan and prepare for the Faith Journey program, and maybe even program length, but is not scaled down in terms of depth of content. The program does include the entire congregation: adults, teens, and children. The program is designed to meet the needs of a smaller church community while still delivering a renewal program.

One Faith Journey – Two Small Churches or Missions

A smaller church may not have the resources in terms of people or money to host a full-scale program, but by joining with another nearby church similar in size, the two churches together are able to host a weekend together. This Faith Journey weekend program addresses the logistics complexities while respecting the identities of the two churches. The program does include all: adults, teens, and children. The program is designed to meet the needs of the combined church community while still delivering a rich renewal program.

One Faith Journey – Several Churches (Multi-Church)

In the same way that two churches can join together to host a weekend, several churches that are fairly close geographically may host a renewal weekend for its people at a central location. The renewal weekend may be a full weekend or may be a one-day program – although a very full day! – that includes all the churches. The Faith Journey program is designed specifically for the churches and its people and again, includes everyone: adults, teens, and children.

Faith Journey Designed for You

Faith Journey allows us to be flexible so that we can deliver a renewal program to any Christian church that wants to provide a renewal program for its people. Talk to us. Tell us about your church. We can develop a program specifically for your people!
