Our Mission

We equip God's people to be positive in their faith by personally sharing the presence of Christ in our lives, to encourage them to recognize Christ's presence in their lives, and to share that presence with passion and truth.

Renewal Program for Everyone at Your Church

Why Faith Encouragement Ministries?

The Faith Encouragement Programs are held at your church, much like a retreat but with the retreat coming to you. Everyone in the church is included and invited – adults of all ages, teenagers, and children – to cultivate their faith for a deeper personal relationship with God.

The following develop as the program progresses:

- ◆ Stronger personal ties within your church community itself
- ◆ Realization that all our gifts are part of God's calling
- ◆ D e e p e r awareness of our mission and purpose in life to spread the love of Jesus

The Holy Spirit is present in a very lasting way

Discernment

Your prayerful responses to the following questions help us to understand your church and serve as a foundation for your leadership team to use for discussion and follow up.

1. What are your church's greatest strengths?
2. What are your top 2-4 ministry priorities?
3. What would you like to continue and encourage?
4. What are possible opportunities for your church?
5. What obstacles do you face for the weekend?
6. Where is the Holy Spirit guiding your church?

Faith Alive

Standardized program

Faith Alive is the classic, standard weekend program that has been successfully delivered for 40 years. The program has an extraordinary record of participation that has been effective for a wide range of congregations.

Faith Alive focuses on hearing stories of faith, small groups, praising God through joyful music, and culminates the weekend with a focus on the baptismal vows.

Faith Journey

Custom-designed program for your church

Faith Journey has the flexibility to be customized to meet the unique needs of your church.

Faith Journey delivers the same basic program as a Faith Alive program with adjustments for the mission or smaller church that has different needs and resources than a mid- to larger-sized church.

A Faith Journey Program can also deliver the same Faith Alive experience for two or more smaller churches that want to pool their resources for a shared weekend. One Faith Journey weekend—Two (or more!) churches!
